- Cybersecurity Awareness & Risk Assessment
- IT Project Planning & Technical Documentation

Research & Innovation Services

- Applied Technology Research & Feasibility Studies
- Market & Technical Research for New Products
- AI, Data Analytics & Emerging Technology Research
- Proof of Concept (PoC) & Prototype Development
- Technical Whitepapers & Research Reports
- Grant, Proposal & Innovation Support Documentation

Educational & Capacity Development Services

- Corporate IT Training & Upskilling Programs
- Software Development & Programming Training
- AI, Data Science & Robotics Training
- Digital Literacy & Technology Awareness Programs
- Curriculum Design & Technical Course Development
- Workshops, Seminars & Bootcamps

Service Delivery Model

> Engagements may be delivered through on-site sessions, virtual consultations, hybrid workshops, or long-term advisory retainers depending on client needs.

Pricing Structure

Service Category	Description	Estimated Cost
IT Consultancy	Strategic advisory, system review & planning	From ₦250,000 per engagement
Research Projects	Technical research, feasibility & reporting	From ₦500,000 per project
Educational Programs	Training, workshops & bootcamps	From ₦300,000 per session

Retainer & Long-Term Engagement

- Monthly IT Advisory Retainer: From ₦150,000
- Quarterly Research & Innovation Support: From ₦400,000
- Annual Consultancy & Training Partnership: From ₦1,200,000

Pricing is influenced by scope, duration, technical depth, number of participants, and delivery format.

Why Choose InfoBrain

- Strong blend of technical expertise and research-driven insights
- Experience across software, AI, robotics, and education
- Customized solutions tailored to organizational goals
- Clear documentation and measurable outcomes
